Letter Report: District of Columbia Agencies' Compliance with Fiscal Year 2013 Small Business Enterprise Expenditure Goals through the 2nd Quarter of Fiscal Year 2013

Dear Chairman Mendelson:

The Office of the District of Columbia Auditor (ODCA) examined and assessed District of Columbia government agencies' compliance with fiscal year (FY) 2013 Small Business Enterprise (SBE) expenditure goals through the 2nd quarter of FY 2013 (October 1, 2012 through March 31, 2013).¹

Objectives, Scope and Methodology

The objectives of this examination were to determine:

1. District agencies' FY 2013 SBE expenditures through the 2nd quarter of FY 2013; and
2. District agencies' compliance with SBE goal establishment and expenditure reporting requirements.²

The examination covered the period October 1, 2012 through March 31, 2013. We did not conduct the examination as an audit as defined by the Government Accountability Office's Government Auditing Standards.

In conducting this examination, we reviewed 80 agencies, offices or programs³ that the Department of Small and Local Business Development (DSLBD) determined were required to (1) procure 50% of their expendable budget for goods and services from SBEs each fiscal year and (2) submit quarterly SBE expenditure reports, as well as an annual report, to DSLBD and ODCA. We reviewed appropriated budgets, expendable budgets, and reported SBE goals for

each agency. We also verified vendors in DSLBD's CBE Online System and reviewed DSLBD's QuickBase data tracking system.

For 74 of the 80 agencies, we reviewed their SBE expenditures using the District's System of Accounting and Reporting (SOAR) and the Office of Contracting and Procurement's Purchase Card (P-Card) data. Six of the 80 agencies do not record expenditures in SOAR, using financial systems independent of SOAR to record their expenditures. As a result, no quarterly expenditures could be retrieved from SOAR for these six agencies. Therefore, we were not able to independently verify the submitted expenditure data for the six agencies. The six agencies are listed below:

1. Events DC
2. Housing Finance Agency
3. D.C. Public Charter School Board
4. D.C. Public Charter Schools
5. D.C. Retirement Board
6. The University of the District of Columbia

Background

The Small, Local, and Disadvantaged Business Enterprise Development and Assistance Act of 2005 (the Act), as amended, states that “it shall be the goal and responsibility of the Department [of Small and Local Business Development] to stimulate and foster the economic growth and development of businesses based in and serving the District of Columbia, particularly certified business enterprises, with the intended goals of:

- (A) Stimulating and expanding the local tax base of the District of Columbia;
- (B) Increasing the number of viable employment opportunities for District residents; and
- (C) Extending economic prosperity to local business owners, their employees, and the communities they serve.”

The Act tasks DSLBD with providing “advocacy, business development programs, and technical assistance offerings” that will “maximize opportunities for certified business enterprises to participate in:

- (A) The District's contracting and procurement process;
- (B) The District's economic development activities; and
- (C) Federal and private sector business opportunities that occur in the District of Columbia.”⁴

The Act also establishes the following categories of businesses: Local Business Enterprises (LBEs), Small Business Enterprises (SBEs), Disadvantaged Business Enterprises (DBEs), Local Business Enterprises with Principle Offices Located in an Enterprise Zone (DZEs), Resident-Owned Businesses (ROBs), Longtime Resident Businesses (LRBs), Local Manufacturing Enterprises (LMEs), and Veteran Owned Businesses (VOBs).

The Act requires each District agency to contract 50% of the dollar volume of its goods and services to SBEs each fiscal year. Additionally, it requires agencies to submit quarterly SBE expenditure reports to DSLBD and ODCA. The Act contains no expenditure requirements for LBEs, DBEs, DZEs, ROBs, LRBs, LMEs, or VOBs.

To establish FY 2013 SBE goals, DSLBD required each agency to access QuickBase, DSLBD's electronic database containing all budget, SBE goal, and agency-reported SBE expenditure data. DSLBD asked each agency to document, as an exclusion in QuickBase, the items in their appropriated budget that the agency could not reasonably be expected to obtain from SBEs. Upon DSLBD's approval, the QuickBase system subtracted the exclusions from the agency's appropriated budget to determine the agency's expendable budget. To determine the SBE goal, the QuickBase system multiplied the expendable budget by 50%.

⁴ See D.C. Official Code §2-218.13(a).

Results of the Auditor's Examination

According to DSLBD's QuickBase database as of May 21, 2013, the 80 agencies we assessed had a total FY 2013 reported appropriated budget of \$9,968,288,651 and a total reported expendable budget for goods and services of \$1,253,000,868. Based on the expendable budget of \$1,253,000,868, the FY 2013 SBE expenditure goal for the 80 agencies was \$626,500,434.

Eight of the 80 agencies had not properly documented exclusions to their appropriated budget that the agency could not reasonably be expected to obtain from SBEs. Therefore, DSLBD calculated the SBE goals of the following 8 agencies by multiplying their entire appropriated budget by 50%:

1. Office of Advisory Neighborhood Commissions
2. Office of the Chief Medical Examiner
3. Office of Employee Appeals
4. Board of Ethics and Government Accountability
5. Housing Finance Agency
6. D.C. Public Charter Schools
7. Public Employee Relations Board
8. Board of Real Property Assessments and Appeals

The 80 agencies' FY 2013 reported appropriated and expendable budgets and reported SBE goals are listed in Appendix I.

2nd Quarter Results

We found that the 80 agencies, as a whole, spent a total of \$56,427,691 with SBEs through the 2nd quarter of FY 2013 or 9% towards the \$626,500,434 total FY 2013 SBE expenditure goal for all of the 80 agencies. The FY 2013 2nd quarter SBE expenditures for each of the 80 agencies are listed in Appendix I.

Total FY 2013 expenditures of the 80 agencies through the 2nd quarter of FY 2013 on Local Business Enterprises, Small Business Enterprises, Disadvantaged Business Enterprises, Local Business Enterprises with Principle Offices Located in an Enterprise Zone, Resident-Owned Businesses, Longtime Resident Businesses, Local Manufacturing Enterprises, and Veteran Owned Businesses are presented in Appendix II.

According to DSLBD's QuickBase database, as of May 21, 2013, 20 agencies did not submit the required quarterly expenditure report for the 2nd quarter of FY 2013. All agencies that failed to submit the required expenditure report for the 1st and 2nd quarters of FY 2013 are listed in Appendix III.

Four of the 20 agencies that did not submit the required quarterly expenditure report for the 2nd quarter of FY 2013 (the Housing Finance Agency, the D.C. Public Charter School Board, D.C. Public Charter Schools, and the D.C. Retirement Board) did not report expenditures through SOAR, leaving the expenditures toward their combined SBE expenditure goal of \$280,277,833 unexamined by either the Auditor or DSLBD. As a result, there is an incomplete presentation of the District's overall SBE goal attainment.

Of the 80 agencies, 10 agencies met or exceeded their reported annual FY 2013 SBE expenditure goals by the end of the 2nd quarter of FY 2013, raising questions about the validity of the reported expendable budgets of the agencies. The 10 agencies that exceeded their FY 2013 expenditure goal by the end of the 2nd quarter are presented in Figure I.

DSLBD did not establish an SBE expenditure goal for the newly established Department of Forensic Sciences, which commenced operations on October 1, 2012. Therefore, this examination of SBE expenditures did not include a review of the SBE expenditures of the Department of Forensic Sciences.

Recommendations

Within 30 days of the release of this report:

1. DSLBD should notify (1) the Chairman of the Council Committee responsible for providing oversight of the non-compliant agency, (2) the Chairman of the Council Committee on Business, Consumer and Regulatory Affairs, and (3) the Mayor that the 20 agencies listed in this report failed to submit the required expenditure report for the 2nd quarter of FY 2013.
2. DSLBD should review the SBE goals, procurement plans, and purchases of the 10 agencies that exceeded their FY 2013 goals by the end of the 2nd quarter of FY 2013.
3. DSLBD should review the status of the four agencies that did not submit expenditure reports and do not record expenditures in SOAR to determine FY 2013 SBE expenditures. DSLBD should also develop and implement an accurate method to capture expenditures of the six agencies that do not record expenditures in SOAR.
4. DSLBD should obtain the budget, budget exclusions, procurement plan, and expenditures of the Department of Forensic Sciences and finalize an SBE expenditure goal for the agency.

Conclusion

Based on our examination, we found that 80 agencies collectively spent \$56,427,691 with SBEs through the 2nd quarter of FY 2013 or 9% of the cumulative reported SBE goal of \$626,500,434. Of the 80 agencies, 10 agencies met or exceeded their FY 2013 expenditure goal by the end of the 2nd quarter, spending a combined total of \$5,198,308.

Sincerely,

Yolanda Branche, Deputy Auditor
